

**INCOM NEWSLETTER 6; FRIDAY DECEMBER 7TH 2018****PRESS**

Prominent coverage on the frontpage of Politiken, December 3rd about the search for a greener internet. INCOM partners will investigate the challenges thanks to grant from Innovationsfonden. You can read the full article (Danish) [here](#).

**RADIO INTERVIEWS**

Professor Leif Oxenløwe was interviewed by multiple radio programs about the above article. Listen to the interviews (in Danish) via the links below:

[Interview](#) on the AK24syv podcast at Radio24syv (from 00:34:01-00:49:43). Instructions: Press the red button to the left on the screen and control the player that appears on the upper right.

[Interview](#) on DR's radio program P4 Eftermiddag (from 2:08:00-2:13:05). Instructions: Press the loudspeaker icon in the main window and use the controls that pop up at the bottom of the screen.

FIRST INCOM PAPERS FOR OFC ACCEPTED

In task 1.3, two papers have been accepted for the OFC conference, which takes place in San Diego, March next year:

- *Polarization Dependence of Mode-Group Selective Air-Clad Photonic Lantern*
 - Proceedings of OFC, paper Th3D.6; 2019
 - Neethu Mariam Mathew, Lars Grüner-Nielsen, Michael Galili, Mads Lillieholm, Mario A. Usuga Castaneda, Karsten Rottwitt
- *Direct Measurement of Polarization Dependency of Mode Conversion in a Long Period Grating;*
 - Proceedings of OFC, paper Th2A.15.4; 2019
 - Lars Grüner-Nielsen, Neethu Mariam Mathew, and Karsten Rottwitt

PREPARATORY COMMITTEE

The first monthly video meeting of the INCOM Preparatory Committee took place December 5th and items like Terms of Reference and NDAs for the Associate Partners and Advisory Board were discussed and outlined for the Steering Committee to handle.

EVENTS

In spring 2019 all INCOM partners will be invited to an internally focused event. The venue could be DTU in Lyngby, yet to be decided.

In autumn 2019 the huge INCOM Kick-off event will take place, expectedly the first week of October.

FIRST MILESTONE

We have received input for our first INCOM milestone: 'Schedule for planned peer-reviewed research publications' and we are very pleased and impressed to see at this early stage so many expected future INCOM publications.

NEWS LETTER – INPUT FROM YOU

We would love to receive news from your INCOM work. When you have harvested noticeable results or progress that the entire project will benefit from, please forward a few lines to us.
