The InfinIT mini project DaCOto where INCOM is involved has presented the results in webinars arranged by Confederation of Danish Industry (DI Digital) and Danish ICT Industry Association (IT Brancheforeningen).

- SummIT 2020 was arranged by the Confederation of Danish Industry: "Grønt digitalt lederskab" and was broadcasted live from Industriens Hus, October 21st from 10am to 4pm. You can watch the presentations [here](#).
- "Skal vi energimærke IT services og software" was arranged by the Danish ICT Industry Association. You can watch the presentation [here](#)
- "Sådan kan datacentre blive grønne" was arranged by the Confederation of Danish Industry: You can watch the presentation [here](#)
- "Gør din digitale virksomhed grøn" was arranged by the Confederation of Danish Industry: You can watch the presentation [here](#)

CALL FOR GRANT TO COVER FOR RELEVANT IPR EXPENSES (T4.2)

Task 4.2 IPR-Management is calling for proposals from the INCOM partners asking for grants to cover for relevant INCOM IPR expenses. You can this time apply for one grant of DKK 50.000, - if you apply by mail to Charlotte M. Larsen no later than December 1st, 2020. Read more [here](#). A similar call will be made around March 1st and June 1st 2021. (Grant includes university overhead).

CALL FOR GRANT TO COVER FOR RELEVANT TRAVEL EXPENSES RELATED TO STANDARDIZATION (T4.6)

Task 4.6 Standards is calling for proposals from the INCOM partners asking for grants to cover for relevant optional travel expenses in relation to your activities on standardization. You can this time apply for two grants of each DKK 28.800, - if you apply by mail to Charlotte M. Larsen no later than December 1st, 2020. Read more [here](#). A similar call will be made around March 1st 2021. (Grant includes university overhead).

ONLINE INCOM INTERNAL AUTUMN EVENT

On October 26th, the first online INCOM Event took place for all INCOM staff. The afternoon went very well and more than 50 people participated. The programme and information from the afternoon can be found on the INCOM webpage [here](#). Selected video recordings from the event can be found [here](#) and video presentations of the 18 poster presentations can be found [here](#) both on the SharePoint site behind password and username. If you as an INCOM partner want access to the SharePoint site, please contact [Charlotte M. Larsen](#)

STEERING COMMITTEE MEETING

The biannual Steering Committee meeting took place October 27th conducted as an online meeting. Niels Hersoug was chairing the meeting where Rune Hylsberg Jacobsen was approved to take the AU seat after Jens Kargaard Madsen. Also, the re-budgeting process was presented shortly by INCOM controller Kristine Dyva Tønnesen and the PoC-2 proposals were discussed also in an INCOM-II perspective. Finally, the online Autumn Event was evaluated.
